

Security Services Protecting Your Business

ABOUT US

Protecting Your Assets
Capital Asset Protection Group

Reputable, Professional security services minimising risk and loss. Corporate security and asset protection solutions for, retail, event and all asset protection services – CAPG have got you covered.

You can be confident that through our long term relationships and proven track record we are able to provide you with the best solutions for your needs at fair prices. With CAPG rest assured that your premises, staff and customers are safe and secure at all times.

From Covert operatives, Uniformed guards and asset protection services, our team members are trained to deal with a variety of situations that minimise risk and keep your business at bay.

Our guards are dressed smartly in uniform and can be seen as a strong deterrent to any criminal activity taking place in your store. They will assist you with crowd control, keeping an eye on shoplifters, helping customers find what they are looking for and providing assistance as needed.

Our Services

Discuss Your Security Needs With Us

From large corporations to small businesses, we've got you covered. Our solutions are designed to help you reduce costs and protect your assets while improving your ability to manage risk in your business or event.

Security For All Industries

CAPG provides a variety of services for retail stores and corporate sector. We are able to provide the best solutions for your needs at fair rates. Our trained security officers are always on call to ensure that your premises are safe and secure.

Retail

We help retailers prevent theft and protect their inventory by providing monitoring guards, available 24 hours a day 7 days a week.

Corporate

On-premise security personnel means its business as usual, knowing your employees are safe and protected.

Events

We provide event staffing for large gatherings to ensure attendees are able to enjoy the festivities without worry.

Our Clients

You need a team that can handle a variety of situations professionally and fast. Our operations team is trained to be alert to safety issues should they arise, both inside and outside the property. We are able to assist customers with directions, parking assistance and general security concerns while maintaining a safe place to dwell for staff and customers alike.

“

Very happy with their customer service staff is polite and quick to help. Would always come back to you guys. Thanks for everything.

★★★★★

K Harte

“

I would highly recommend these guys to anyone, extremely professional and know what they are doing. Thanks guys for everything.

★★★★★

Lauren

“

Best security company ever, since hiring these i have not lost a single thing from my store. Always alert on the job and professional.

★★★★★

Amelia Johmson

“

CAPG have worked with us for years now, and i have never had any complaints. They handling everything from locking up the stores to guard and loss preventions.

★★★★★

Anne Wilson

“

These guys are extremely professional, no matter the situation they are well trained to stay calm and expertly de-escalating situations. Thanks for your hardwork and dedication CAPG.

★★★★★
